

It was a Hip-Hop Affair on this Week's Episode of Trophy Extra Special Band Season 2

BY Chisom Winifred

The bands definitely understood the assignment and brought the heat on the latest episode of Trophy Extra Special Band season 2.

With Hip- Hop as the theme of the week, the bands rocked the stage with renditions of their favorite hip hop songs. We don't want to be the judges right now because it is getting harder to choose! Paired in groups of two, the bands went neck to neck against each other to impress the judges and avoid landing in the bottom four and face possible eviction.

The Elixir band kicked off the show with a thrilling performance and battled against the Flash Band. The Bandhitz went against Tritunez, and Genial Sounds slugged it out with The Alain Tribe and finally Update Vibes went against the Benedicts.

The bands all gave their best performances but sadly, Flash Band, the Bandhitz, Genial Sound and Update Vibes found themselves in the bottom four. But it is not all sad news, because luckily, no band went home this week. They all made it to the next stage of the competition.

Next week, they will all be back on the stage to show why they are Extra Special. The theme for next week is Reggae and you already know the vibes, Wah Gwaan! Ya Man we can't wait!

Don't miss next week's show for anything! Catch the show live on MTV Base, DStv Channel 322 and GoTV Channel 72.
